

The Log

1960

May 6, 1960

Dear Bill,

This year has had many disappointments
so far as social life is concerned, but
you have helped matters very much. I've
enjoyed the parties at the "night-club"
too — I hope you had a happy birthday!

Keep playing tennis as well as you
did the day of the swimming party — you'll
have to give me a few lessons some day.

Best Wishes in all you do!

Love ya' lots!

Caroline Conley

Good luck
to a real sweet
boy. It's been fun
knowing you this
year. (?) Martha

The Yearbook Staff

The Log-1960

The yearbook staff is very pleased and proud to be able to present this annual, which commemorates the first year of Hampton Roads Academy. We have tried to capture a few of the facets of life here at the school. Although we expect that THE LOG will be much larger in the years to come, we hope that this will be a worthy start.

The very existence of this annual is due largely to the leadership of Mr. William Barker, our faculty advisor. The diligence of our editor-in-chief, Dave Ferguson, and our assistant editor, Don Crandell, should be commended highly. We also wish to thank Mr. Floyd Shelton for his assistance as well as Alex Frediani for capturing some of the typical scenes around school.

This yearbook is a tribute to every member of the staff, faculty, and student body, and we hope that it will bring back memories in the years to come.

Athletics

The Sports Program

1959 found the sports activities of the Academy hindered by the lack of suitable facilities for carrying out an effective organized program.

We appreciated very much the use of one of the Yoder Dairy pastures for a temporary athletic field.

However, the "terrain" soon proved inadequate for a worthwhile program. Therefore, until better conditions became available, group sports were suspended for the winter term.

A brighter outlook prevailed upon the arrival of two basketball goals which were set up on the parking lot. These provided a partial sports program until the damp winter weather rendered the parking lot too wet for play. Wrestling mats have been ordered which will provide indoor wrestling about the time our yearbook goes to press.

Coach Barker

Plans for a baseball team to compete with the Norfolk Academy and Christchurch School during the spring are quite certain. A baseball diamond will be shaped up, and we can begin the first real sports program of the school.

In the years to come, as our full 75 acres are improved, the Academy will have field teams which will compete with other prep schools in the state. This first year will be looked upon with pride for the handicaps which we have been able to cope with and overcome.

What will I have for lunch today?
Where is "High School, ou, ou?"

Take it! It ain't Saturday yet.
But Mr. Shelton lets me!
But my Fury will beat your Matador!

Next week we'll get organized.

Do I play Basketball?!!

Albert, we seem to have a little difficulty around the front door.

Sum, esse, FUI, futurus??

Let's all see, Martha!

CHOW DOWN!

And a Word of Appreciation . . .

The yearbook staff wishes to thank all those who have in any way helped in the publication of THE LOG.

A word of special thanks to:

The Mariner's Museum and their photography department headed by Mr. W. T. Radcliffe.

Randolph Macon College, Mr. Percy Smith, and Mrs. Eleanor W. Kretz for their initial financial backing.

Farabee's Studio, J. Elwood Armstrong, W. T. Radcliff, and others who made the photos used in this yearbook.

If we have left anyone or anything out, misspelled or misplaced your name, or in anyway failed, please pardon our error.

TO ERR IS HUMAN . . .
